Monday 16th March, 2020.

Dear Metro East Swimmers, Coaches and Families,

It is with deep regret we inform you that we have made the decision to cancel the upcoming Metro East District Championships.

As a District we feel that this is the correct option to ensure the safety of all involved in this event.

This is not an easy decision for any of us. We have been having regular meetings, risk analysis, discussions with club representatives, SV and pool management and feel this is the appropriate action.

We apologise to all competitors, knowing the many opportunities that are being restricted in this current environment, but feel the risk is just too high to proceed.

We will provide a refund of all entry fees – please be patient with us as we work out the most efficient way of processing this. Please do not attempt a Credit Card chargeback to obtain a refund as this may compromise the actual refunds being processed.

We are still assessing the potential for a 2020 Metro East representative team and will be looking at our options as this current situation moves forward.

Kind regards,

Vicki Mathers
